

Neuren (NEU) – Change of Director’s Interest Notice

14 June 2023

The attached Appendix 3Y (Change of Director’s Interest Notice) details a sale today of 1,175,000 shares at \$13 per share on behalf of Trevor Scott. Trevor has been a non-executive director and major shareholder since Neuren’s inception more than 20 years ago, providing commitment, leadership and financial support during that period. Following the sale he remains a major shareholder, retaining an interest in 2.4 million shares.

About Neuren

Neuren is developing new drug therapies to treat multiple serious neurological disorders that emerge in early childhood and have no or limited approved treatment options.

DAYBUE™ (trofinetide) is approved by the US Food and Drug Administration (FDA) for the treatment of Rett syndrome in adult and pediatric patients two years of age and older. Neuren has granted an exclusive licence to Acadia Pharmaceuticals Inc. for the development and commercialisation of trofinetide in North America, while retaining all rights outside North America.

Neuren is conducting Phase 2 trials of its second drug candidate, NNZ-2591, for each of Phelan-McDermid syndrome, Angelman syndrome, Pitt Hopkins syndrome and Prader-Willi syndrome.

Recognising the urgent unmet need, all programs have been granted “orphan drug” designation in the United States. Orphan drug designation provides incentives to encourage development of therapies for rare and serious diseases.

Appendix 3Y
